Control Box³
Ref. SB124T-3

ANALOG WAY®
Pioneer in Analog, Leader in Digital

Compact solution to easily control your live events with the LivePremier™ series and the Midra™ 4K series

Manage your multi-screen production with ease

The Control Box³ is an ergonomic and compact solution designed to operate your LivePremier™ series or your Midra™ 4K series with ease and comfort. Thanks to the 105 physical key buttons, Control Box³ gives instant access to the screens, sources and memories, and embeds a T-Bar for smooth manual transitions. Its illuminated keys are designed for fault-free operation, allowing users to focus on the action and not the user interface.

Key features

▶ Select current screen and/or AUX destination(s)
▶ Load instantly any kind of memory (master, screen, multiviewer, AUX and layer)
▶ Change the source of a layer or a background
▶ Change the source of an auxiliary output
▶ Manual transition (T-bar), immediate (CUT) or programmed (TAKE)
▶ Select current destination (Preview or Program)
▶ Freeze/unfreeze live inputs

Control Box³ at a glance

▶ Heavy-duty extruded aluminum case
▶ 105 function-labeled keys
▶ T-Bar for manual smooth transitions
▶ Blue and red backlighting for each key button
▶ Compatible with all LivePremier™ series and Midra™ 4K series
▶ Direct USB connection to the switcher front panel or remote connection via a computer with USB and LAN connection (control software included for Windows® and macOS®)
▶ Robust carrying case
