3 Ways To Identify Your iPad Model

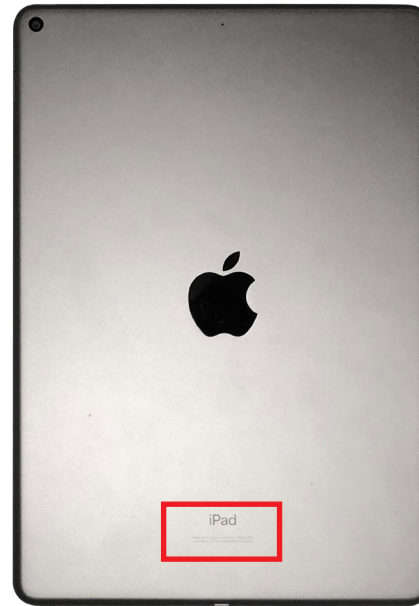

1. iPad Box

Check the back of the box and find the sticker with the model number.

2. iPad Housing

The model number is located at the bottom of the back of the iPads' housing. You might need a magnifying glass to be able to read the number.

3. iPad Settings

- Open the **Settings App** on your iPad.
- Tap **General**.
- Then tap **About**.
- Tap on the **Model** section. The number will switch to a number that begins with „A“.
