

Product Matrix

Communication for the modern workplace

The perfect mix of smart meeting room systems and easy-to-use video conferencing apps sets Lifesize apart. Our comprehensive solution — hardware, software and service — is seamlessly integrated to enable you with amazing video conferencing to make the best impression with every conversation.

Seamless Integration

Lifesize integrates with all major business communication and collaboration tools, including Microsoft® Office® and Teams, Slack®, Google Calendar™ and more for a frictionless experience.

Global Network

With world-class data centers in every major geography and a worldwide network of more than 3,500 partners, our industry-leading global presence helps you connect your global teams.

Secure Communication

Lifesize delivers enterprise-grade security for video and audio communication, encrypting both the signal and media over our service by default, while maintaining best-in-class quality and performance.

Driven by Customer Obsession

We are the industry leaders for customer satisfaction with a world class NPS score of 84, and we stand behind our service with an industry-leading 99.9% uptime service level agreement (SLA).

Comprehensive, best-in-class solution

The easy-to-use Lifesize app is designed to enhance all the different ways your team communicates — from one-on-one calls to full-scale company meetings among multiple locations. With a consistent experience across devices as well as an integrated search-based directory, unlimited guest invitations and moderator controls, Lifesize makes it easy to collaborate and feel like you're there.

- And many more!

Lifesize® Icon™ Series

Our professional line of audio and video conferencing equipment is engineered to give you an amazing meeting experience. By connecting our innovative hardware to our cloud-based service, Lifesize helps turn any space into an instant video meeting room in seconds.

- Plug-and-play setup
- Intuitive controls
- Automatic software updates
- Unmatched user experience

Meeting room solutions for every meeting space

Since we are the only provider in the industry that designs and engineers both the cloud service and the connected video systems, no one else can control the user experience as we do. Our highly praised (and deservedly awarded) Lifesize Icon Series with Lifesize® Phone™ HD is a complete video room solution, while our Lifesize Dash™ kit lets you create a room with a Chromebox™ and certified webcam and audio devices.
